

# *An Evening In*

Seduce your partner into unconditional submission. Treat her (or him) to an evening or pure romantic indulgence. The best part.... you won't have to lift a finger.

## *An Evening In"*

creates the perfect sensual mood. Through deeply luxurious massage, sensual stimulating food, and stunning design you will reconnect with your partner on a romantic, intimate, mental, physical and spiritual level.

### How does it work:

Our team takes care of it all, while you and your partner go off for a luxurious bath or shower. The Cloud 9 team will transform your lounge and dining room into a sensual, romantic setting. Candles; carefully chosen mood music; table settings; everything is prepared with exquisite care. When you return to us, the scene is set for seduction, starting with a fantastic Cloud 9 massage. The *"Evening In"*

massages are slow and rhythmic, carefully designed for deep relaxation, soothing away your stress with long luxurious strokes. This massage is a touch of magic, it perfectly sets the mood for the romantic meal to follow.

In the meantime, your fantastic dining experience has been set up. The table exquisitely set, the sensual food prepared to perfection. With everything ready and waiting, your therapists leave you to serve your lover.....the rest is up to you.
